- Point calculation to become European champion is as follows. In every class the first eight entries receive points. 8 points for the highest placed entry down to 1 point for the eighth placed entry. All ties will be broken by a tie-breaking judge (pre-determined by show management).

- During this year's European Championships doping tests are executed according to the rules of the trot racing. Thus all forbidden substances can be proved. The owner agrees with the signature under denomination that he will compensate for all expenses of these doping tests (ca. € 1.000,--) in case of positive findings.

The Office charge will in principle not be returned. Stable rent only can be returned if the reserved box can be let to somebody else right away.
